

## Flexible Phone Choices

Choose from a full range of Polycom, Cisco and Spectralink phones. Also works over your Android or iOS devices and over your computer.

### Polycom VVX Phones

Our best value. Plenty of line keys, packed with features and functionality for mainstream employees.

### Polycom VVX Touchscreen Phones

Top-of-the-line touchscreen phones for managers, collaborators and administrators.

### Polycom SoundPoint IP Phones

Battle-tested workhorse phones with everyday features and functionality.

### Polycom SoundStation IP Conference Phones

State-of-the-art speakerphones with unparalleled voice quality.

### Cisco IP Phones

Cisco-branded standard phones with business-grade features for everyday use.

### Spectralink Cordless

High-quality cordless phones allow employees to move about freely.
