- 1 Monthly recurring charge includes estimated taxes.
- 2 Taxes & Fees are based on Service Address and may change on receipt of full address details. They include government fees and taxes that we collect and are required by federal, state, province or local law to remit to the appropriate governmental entity (including, but not limited to, sales, use, excise, public utility, and E911). This section may also include certain fees and costs incurred by us as a result of providing service, such as universal service fees (USF). Please note that equipment taxes will be calculated based on Shipping Address.

We may impose the fee whether or not the benefits of any or all of these mandates and programs are available to you in your location.
